MACHC Letter 05 / 2009
22 January 2009

To: MACHC Member States and Observers

Subject: **Persons of Contact and MACHC Forum**

References: a) MACHC Letter 01/2009; and
b) MACHC Action List 9-3.

Dear Hydrographer,

1. I would like to thank the following MACHC Member States and Observer which responded MACHC Letter 01/2009: Colombia, Cuba, El Salvador, France, Jamaica, Mexico, The Netherlands, United Kingdom, and Jeppesen Marine.

I also thank IHB for providing Haiti contacts.

I assumed those which didn't respond didn't change their Persons of Contact. I couldn't find updated data from Trinidad and Tobago, Honduras, Nicaragua, and St. Lucia. I would be thankful if some of you may make a link with these Countries representatives.

The updated list of contacts may be found in Annex.

From now, to improve security information and to avoid undesired e-mails (spam), emails sending MACHC correspondence will have e-mails address in hidden copy (Bcc).

2. A second point I would like to address is regarding MACHC Forum. The last MACHC meeting (Rio de Janeiro, Brazil, 08th-10th October 2008) the Commission agreed on to use a virtual Forum as a way to discuss topics of interest (Action List 9-3). I would like to kindly ask MACHC Persons of Contact to access the web address below and join the Forum. **From FEB 1st 2009** it will be by this toll the Secretary will address and discuss some pending matters.
