MACHC Letter 10 / 2009  
11 February 2009

To: MACHC Member States and Observers

Subject: **10<sup>th</sup> MACHC Meeting**

Reference: a) MACHC Action List 9-17  
b) MACHC Statutes

Dear Hydrographer,

1. At the 9<sup>th</sup> MACHC Meeting it was agreed the 10<sup>th</sup> Meeting should be held in Barbados in the last week of October 2009. However, due the availability of the possible venues for the meeting and the proximity of other IHO organs meetings, it will be necessary to postpone it to the 1<sup>st</sup> week of November.
2. In accordance of the situation, MACHC Chair proposes the following program:  
Nov 3<sup>rd</sup>: MACHC Committees and WG meetings  
Nov 4<sup>th</sup> and 5<sup>th</sup>: X<sup>th</sup> MACHC meeting  
Nov 5<sup>th</sup>: Special capacity building activity promoted by industry – some industry companies (ESRI, Caris and Jeppesen) accepted to sponsor a one day event.
3. I would kindly ask you to make comments on the above proposal, including your preferences on the subjects to be approached at the industry event as soon as possible and **no later than March 10<sup>th</sup> 2009**, sending an e-mail to <int.rel@dhn.mar.mil.br>, with a copy to <wesley.cavalheiro@yahoo.com>.

Yours sincerely,

LUIZ FERNANDO PALMER FONSECA  
Vice Admiral (Brazil)  
Brazilian Director of Hydrography and Navigation  
MACHC Chairman
