Under normal circumstances, the term for the Chair and Vice Chair will be two years. *If the period between Conferences exceeds two years, the term will extend until the end of the next Conference.*”

- b) Article 6, a):

~~The Chair elect of the Commission shall make arrangements for hosting the next Conference in a country in the Region.~~
“At the end of each conference the Full Members desirous of hosting the following conference shall put forward their candidatures. IHO Technical Resolution

T1.3 ESTABLISHMENT OF REGIONAL HYDROGRAPHIC COMMISSIONS (RHC)

1.- It is resolved that the IHB shall encourage Member States having common regional interests in data collecting or nautical charting to form Regional Hydrographic Commissions (RHC) to cooperate in the undertaking of surveys and other projects. As part of IHO, the RHC shall complement the work of the Bureau.

2.- RHCs are intended to provide, in pursuance of the resolutions and recommendations of the IHO, regional co-ordination with regard to nautical information, hydrographic surveys, production of nautical charts and documents, training, technical cooperation and hydrographic capacity building projects. They (RHC) should enable the exchange of information and consultation between the hydrographic services concerned. Geographically adjacent RHCs should liaise with each other.

3.- RHCs shall be properly constituted and have activities in line with the objectives of the IHO as described in Article II of the Convention on the IHO and in accordance with the approved IHO Work Programme. Geographical areas of the RHC will normally coincide with INT chart regions, modified as appropriate to meet regional requirements and special circumstances. There are special provisions for Region M (Antarctica) because of its special status.

4.- RHC membership may include full members, associate members, and observers, all willing to contribute to the safety of navigation in the fields of hydrography, nautical charting, nautical information or navigational warnings in the region concerned. The roles of full members, associated members and observers will be defined by each RHC. Full membership is reserved for IHO Member States within the region who sign the statutes of the RHC.

Associate membership is available to other IHO Members States or States of the region who are non-IHO members, both being signatories of the statutes of the RHC.

Other States and International Organizations active in the region concerned may be invited by the RHC to participate as observers.

The invitation procedures should be established by each RHC.

5.- The working languages used by the RHC shall be agreed upon by their members and designated to ensure the best communication between participants. The reports and IHO documents relating to RHC activities shall be in at least one of the official languages of the IHO. For correspondence with the Bureau, one of the official languages of the IHO shall be used.

6.- A representative of the Bureau shall be invited to attend meetings of RHCs.

6bis.- RHCs shall assess regularly the hydrographic capacity and requirements within their region.

7.- Chairs of RHCs shall report to the I.H. Conference on RHC activities, hydrographic capacity and requirements within their region, future plans and the agreed key targets that support RHC tasks detailed in the IHO Work Programme. The Chairs of RHC's shall also submit an annual report to

STATUTES

the IHB indicating progress made against the agreed key targets in the IHO Work Programme for general dissemination. Between sessions of the IHC, reports of studies or other activities, which may be considered of general interest to all IHO Member States, shall be sent by Chairs of RHCs to the Bureau for general dissemination.

8.- The following structure is to be used for National Reports made to those RHCs that wish to receive such reports:

Council Selection Guidelines

The duties of MACHC Representatives to the IHO Council are an important responsibility, as it is one of the primary means of communication and involvement by the MACHC in IHO matters. Thus, it is important that the MACHC be served by knowledgeable, willing and capable Representatives to the IHO Council. The following provides guidelines and procedures for selecting the MACHC Representatives on the IHO Council.

Fundamental assumptions are:

1. The MACHC will be allotted two Representatives for the Council (although this number could increase or even decrease for which adjustments may be required);
2. All MACHC Representatives to the Council will serve a 3-year term (to coincide with the newly structured 3-year IHO Assemblies), *[This is a commitment Representatives and their sponsoring Member States must be willing to support, both in time required and financial expenses];*
3. The MACHC will meet at minimum once during the 3-year period between IHO Assemblies (to address MACHC representation on the IHO Council);
4. The MACHC Council Representative must be from a Member State with full Member status in MACHC;
5. The MACHC will be informed as to the number of Council seats allocated 3 months prior to the Assembly; and
6. The MACHC must identify and inform the IHO of their Council Representative(s) 6 months prior to the Assembly, the following selection process is proposed.

The Method of Selection of MACHC Representative(s) to the IHO Council shall be as follows:

1. At every MACHC Conference prior to an IHO Assembly, the MACHC shall place the "Selection of MACHC Representatives to the IHO Council" on its Agenda as a matter of procedure.
2. At the appropriate time, the Chair shall put forward a list of MACHC Member States who are eligible to serve as Council Representatives.
3. The MACHC Chair shall entertain volunteers or nominations for candidates for each Council position, as allocated to MACHC by the Secretary-General of the IHO, from among the eligible MACHC Member States who wish to serve on the IHO Council. Candidates and their Member States should be cognizant of the following:
 - a. The position of Council Representative is for a 3-year term;

STATUTES

- b. In accordance with Article 14, paragraph (b), iii, of the “General Regulations of the IHO,” Member States who wish to put themselves forward for selection to the Council, must inform the Commission, with a copy to the Secretary-General of the IHO, of such a decision 6 months prior to an IHO Assembly;
 - c. Member States’ Candidates must be willing to serve the full term of three years (to coincide with the Assembly schedule);
 - d. Candidates must have the support from their Member State and the resources to attend annual meetings in Monaco (or elsewhere); and
 - e. No Member State can have more than one Representative on the Council at any given time.
4. Once nominations have closed, a decision shall be made by consensus, or if necessary, votes shall be taken among all full MACHC Member States with each country having one vote, as follows:
 - a. Using separate ballots for each allotted Council seat, the candidate with the highest number of votes on the first ballot shall be the primary MACHC Council Representative to the IHO Council;
 - b. On the next ballot, the candidate with the highest number of votes on the second ballot shall be the second MACHC Council Representative to the IHO Council, should the MACHC be allocated two Council seats; and
 - c. On the next ballot (if necessary), the candidate with the highest number of votes on the third ballot shall be the third MACHC Council Representative to the IHO Council, should the MACHC be allocated three Council seats.
5. Should a MACHC Council Representative be unable to fulfill the obligations for whatever reason, or miss two consecutive Council meetings, he (she) shall be replaced with an alternate Representative selected by the Chair, MACHC, and confirmed by IHO, until the next MACHC Conference, when this issue can be addressed according to the procedures described in paragraphs 2-4, above.
