Dear Captain Wesley Wandermurem Cavalheiro:

We would like to thank you for your interest and advice in the situation of the INT 4022. After carefully revising the options, we consider that your suggestion is the most suitable in this case, so we agree to send to all the competent organizations the pertinent requests in order to accomplish a bilateral production of the Hydrographic Services of Venezuela and France, in accordance with the IHO rules for international charts (M-4).

We are making the proper arrangements to send all the official communications required as soon as possible.

Best Regards,

CC Arturo Carmona Rojas.
