Dear Katie,

Please see this link summarising UK efforts to date: <https://www.gov.uk/government/news/uk-government-continues-to-support-the-bahamas-relief-effort>. UKHO worked behind the scenes to support RFA Mounts Bay with products and services. We also provided data to others in the region providing assistance.

We would also be happy to deliver a short presentation at the MACHC.

Best regards

*Sunny*
