Subject: Survey to Member States to assess their preference of Electronic Chart Scheme for the MACHC

References: MICC workplan 2022

Dear Colleagues,

As part of the MICC workplan 2022 to have a regional standardized regional ENC scheme, the MRES working group has prepared three ENC Schemes the MACHC grid, NOAA grid and NOAA grid, for assessment.

Herewith enclosed a Survey to Member States to assess their preference of Electronic Chart Scheme for the MACHC and the corresponding files.

The survey and feedback on the MRES proposal must be **submitted as soon as possible and no later than 28th of October 2022.**

Hoping for your support

Yours sincerely,

Bernice Mahabier
